

MYSTERIOUS COMPLIMENT CONFETTI

I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel.

—Maya Angelou

This is a mission of magical mischief powered by kindness. Mysterious Compliment Confetti is all about spreading delight through anonymous, oddly specific, and wonderfully weird compliments—scattered like glitter, but with more sparkle for the soul.

The Mission:

Choose your target: a coworker, a classmate, a roommate, a friend or family member. Your goal? Shower them in a cascade of charmingly bizarre compliments throughout the day. Keep it anonymous. Keep it creative. Keep them joyfully puzzled.

1. Craft Your Confetti:

- Whip up a collection of delightfully quirky compliments. (see example compliments below)
Use different formats to keep things playful:

Handwritten notes, notes typed in strange fonts, voice messages in disguised voices, mini scrolls tied with ribbon or twine.

Example Compliments

“Your organizational skills could bring peace to international summits. The paperclips salute you.”

“You have the soul of a majestic sea otter who knows all the secrets of the universe. Never change.”

“This is your left sock speaking. Just wanted to say thanks for being so awesome. We talk about you in the drawer all the time.”

2. Deploy Stealthily:

- Stick post-its in places they'll find unexpectedly: under their coffee mug, on their car mirror, inside a book they're reading.
- Leave anonymous notes in their mailbox or backpack.
- Slip a compliment in a fortune cookie if you're extra crafty.
- Enlist "delivery gnomes."

“Your presence feels like finding a fry at the bottom of the bag. Unexpected. Glorious. A spiritual experience.”

“You radiate the calm confidence of someone who always remembers their reusable grocery bags.”

“If inner peace had a ringtone, it would sound exactly like your voice ordering coffee.”

3. Choose Your Reveal:

- At the end of the day (or week?), reveal yourself dramatically—with a bouquet of post-its, a confetti cannon, or just a sly wink.
- Or... never reveal yourself and become a legend whispered about for generations.

make kindness the norm 

randomactsofkindness.org

Confuse them with kindness Bewilder them with benevolence. Make someone's day weirdly magical—for no reason at all.
